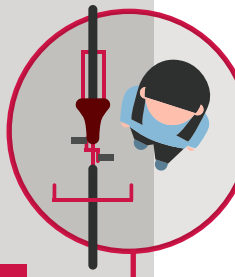
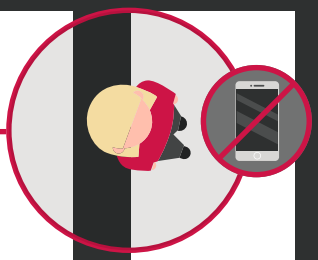
# SAFETY BRIEF

## Stay Alert and Don't Get Hurt

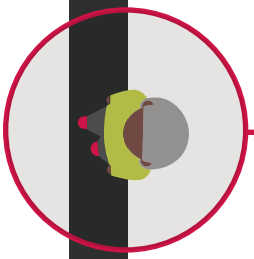
As a pedestrian, it is your responsibility to make yourself visible and avoid dangerous situations. There are many hazards that exist for pedestrians traveling around campus. Here are a few tips to make it safely to your destination.



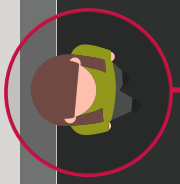
Ensure your bike has front & rear reflectors.



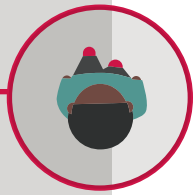
Do not walk while texting.



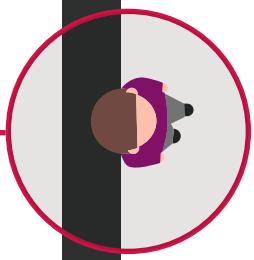
Take extra caution during times of high traffic.



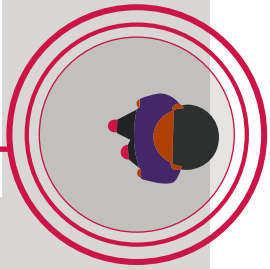
Look both ways before crossing an intersection.



Be aware of temporary construction sites.

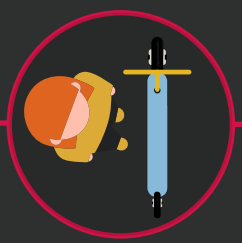


Make eye contact with motorists, if possible.



Always be aware of your surroundings.

Scooters are not permitted to be operated on sidewalks.



Scooter users must obey all rules of the road, including traffic signs and signals.
