Stay Alert and Don’t Get Hurt

As a pedestrian, it is your responsibility to make yourself visible and avoid dangerous situations. There are many hazards that exist for pedestrians traveling around campus. Here are a few tips to make it safely to your destination.

- Do not walk while texting.
- Look both ways before crossing an intersection.
- Make eye contact with motorists, if possible.
- Be aware of temporary construction sites.
- Ensure your bike has front & rear reflectors.
- Take extra caution during times of high traffic.
- Always be aware of your surroundings.
